

RED DEER ROYALS FIELDHOUSE PROJECT NEEDS YOUR CHRISTMAS DONATION

Buy a Virtual Brick (\$300 each)

Rather than going with the traditional "brick and mortar" recognition of our donors – which is costly, quickly outdated and open to damage and defacement – we will be recognizing donors electronically on three large screen monitors inside the Fieldhouse itself. Our donors will be recognized on these prominent screens on a continual basis during all public functions in the facility.

Complete the form below and a Charitable Donation Tax Receipt will be mailed to the address as noted
