Board meeting of the Red Deer Community Band Society

The next monthly meeting will be Monday, October 17 at 7:00 at Cam Clark Ford. Everyone is welcome. These are enjoyable meetings and a great way for parents to become better informed about the Royals!

Volunteer opportunity! For many years the Royals have had a strong partnership with the Downtown Rotary Club. They provide many excellent services in the community and we like to support their fundraisers. In addition, they've provided a huge amount of financial support to Royals over the years (including almost \$30,000 towards the purchase of our new marching uniforms in 2005). In return we provide assistance with their premiere fundraising events. One of these is their **Black Tie Bingo on Thursday, October 27 at the Sheraton Hotel**. We will be providing:

- 4 members and a parent do coat check from 5:30 to 7:00 and again from 9:30 to 11:00 (approximately).
- 1 member and 1 parent do watch the coat check from 7:00 to 9:30
- 6 members to serve as an Honour Guard at the entrance to the ballroom from 5:30 to 7:00, greeting people as they enter.

All members who volunteer will need to be in marching uniform (no hats). I'll have a sign-up sheet next week, so please check your schedule to see if you're available!

Music Memorization:

Here's your memorization schedule for October and November

- "Warm-up/Tune-up Chorale", "O Canada", and Royals Fanfare memorized by October 26.
- "Bang Bang" first half by November 2 and to the end by November 16.
- "I Want You Back" first half by November 2 and to the end by November 16.
- You should have the following scales committed to memory: Concert Bb, Eb, F and Ab.

We'll work on memorization at rehearsals, but it's also your responsibility to work on it in your home practice.

It often really helps memorize a piece by listening to a recording of it.

- Audio for "Bang Bang" is at www.jwpepper.com - just enter the song title in the search window.
- Audio for "I Want You Back" is at www.jwpepper.com - just enter the song title in the search window.

"First Chair" positions Auditions for 1st Chair players in each section will happen in sectionals on Wednesday, October 19!

"If you're on time, you're late!" means that we start our rehearsals at 6:30 sharp. Therefore, it's a good idea to arrive around 6:10 or 6:15. When we only have 3 hours a week together, it's really important that we make the best use of our time. Thanks for your help with this! Also, as reminder that **if you need to miss a rehearsal or to be late for a rehearsal**, you are asked to contact Mr. Mann (directorofbands@reddeerroyals.com) and your Section Leader and/or Assistant Section Leader.

We had an outstanding **Leadership Camp** a couple of Saturdays ago, with 28 people in attendance. Many thanks to the great candidates who applied for the open positions, and to our returning leadership people for your excellent participation! Congratulations to those who achieved leadership positions.

The Medical Kit is there if a medical need arises. The purpose of the kit is for the chaperones to be able to respond to any medical issue that may come up. In order to maintain a functional medical kit, members are asked kindly not go into the medical kit and help themselves to things they think they may need. If you have a pre-existing condition that requires sport/medical tape, you need to supply your own. The chaperones would be more than willing to help you apply the sport/medical tape if you require assistance.

Uniforms

TRAVEL JACKETS

Most of the fittings were completed at Camp Caroline. We will be catching the members who did not attend the retreat this Wednesday. We will be ordering the first round of travel jackets after October 12th. Any parents who wish to order a travel jacket will have the opportunity to be fitted tonight. There will be another order in Feb/March for any other members/parents who wish to order at that time. **All jackets must be pre-paid before the order will be placed.**

MEMBER UNIFORM FITTINGS

Fittings have already started. Please contact the uniform coordinator if you are still needing to arrange a time. Fittings will take place at the Royals storage facility on the Westerner Grounds. We will try to accommodate everyone as best as possible, but you may have to be flexible so that we can get everyone done. It is a big job to get everyone outfitted and takes a few volunteers to make it happen smoothly. Each fitting should take about an average of 30 minutes, so please be on time.

Guys please have on a short sleeved t-shirt. Girls, please have on a short-sleeved t-shirt and a pair of spandex style shorts or leggings. You also need to be wearing socks to try on the shoes; it is best if they are the type of socks you plan on wearing for marching.
